About Us

Mission: The Arrowhead Regional Arts Council (ARAC) seeks to facilitate and encourage local arts development. This mission statement grows from a conviction that the arts improve the quality of life in the region.

Legislative Mandate: ARAC is one of eleven regional arts councils designated by the State of Minnesota "to make final decisions on the use of legislative appropriations for local/regional arts development." ARAC is charged to assess the needs of the seven counties in the Arrowhead Region and to plan and administer programs and services based on its assessment.

Arts and Cultural Heritage Fund

Mandate: ARAC receives funding from the Legacy Amendment which was appropriated by the State Legislature with money from the vote of the people of Minnesota on November 4, 2008. The intent of this funding is to support and create access to the arts for artists, arts organizations, and communities; to support arts education for Minnesotans of all ages; and to support diverse ethnic and cultural arts traditions represented in this state.

McKnight Foundation: ARAC receives additional funding for its individual artist programs from the McKnight Foundation.

Proposed Budget

Click on the link to download the [Grant Budget Template](#). Save the file to your computer before filling it out. Once you have filled out the budget, save it and then upload it into the File Upload space provided in your application.

The Proposed Grant Budget supplies the Council with three important pieces of information. The description and dollar values for all expenses related to your proposed request, the dollar values of the expenses for which you are requesting ARAC funds, and the sources of additional funds for the remainder of the project expenses not covered by grant funding.

Project costs may include

- Fees, contracts or honoraria for artists, performers, curators, commissions, etc.
- Directly applicable administrative salaries, wages and expenses
- Expendable materials expenses;
- Travel expenses related to doing a production or bringing in a touring artist or group
- Directly applicable promotion expenses
- Rental fees

Recognizing the value of labor in all dimensions of the arts world, ARAC strongly encourages that grant applications use the following minimum figures in calculating the value of labor.

- Paying artists for the practice of their art: \$24/hour or more as appropriate
- Paying artists for arts education work: \$24/hour or more as appropriate, with one hour of preparation time allocated for every two hours of direct instruction

ARAC recommends that artists list hours beyond the number payable within the grant as an "in-kind contribution."

The Expenses Section

In the first column of the Proposed Budget template list everything necessary to carry out your project. If there are not enough lines in a particular section, please combine like items and provide details in the "Notes" section on the right side of the template. Give each item a dollar value in the next column even if you expect some portion of the expense to be an "in-kind" contribution. Round all estimated expenses to the nearest \$10.

In-kind contributions include all donated materials, labor, space and/or services that can be given a dollar value and are specifically committed to the project. Each expected in-kind contribution must be assigned a fair market value. In-kind contributions must appear in both the revenue and expense side of your proposed project's budget. Grantees must keep records of the cash values of in-kind contributions.

1. Salaries and Wages: List the salary and wage expenses for the project director, administrative personnel

and volunteers necessary to carry out the administrative duties of your project. Estimate the amount of time they will spend on the project and multiply it by their hourly wage.

2. **Artists' Fees, Contracts and Honoraria:** List all the artistic personnel involved in your project and how much each will be paid. ARAC advocates for the payment of fair market wages for all artists involved in projects seeking support.
3. **Supplies and Materials:** List the expense of all the expendable materials associated with the project. Expendable items would include such things as paper, photocopying, audio recordings, digital recordings, and supplies expended for the administration or execution of the project. In a production project, expendable items might also include materials used in costuming, staging, exhibiting or other expenses related to the activity.
4. **Travel, Lodging and Per Diem:** List all expenses related to transportation, room and board for guest artists, and other travel related expenses incurred by organizational staff carrying out your project. (Remember that you may not use more than 10 percent of the total grant for costs related to travel outside the state of Minnesota.)
5. **Other:** List all other expenses associated with the project. Included here should be such expenses as space and equipment

rental, venue rental, insurance, printing and publicity expenses, etc. You should only include the portion of these expenses directly related to carrying out your proposed project.

A. The totals of sections 1, 2, 3, 4 and 5 will be your **Total Project Expenses**.

ARAC Request: In the third column of the Proposed Budget template, list the parts of the expenses listed in the second column for which you are requesting ARAC funding. Remember that your total grant request may not exceed \$5,000. Listed at the bottom of the first column in line A. The total of the entries should equal the amount of the grant request listed in the application form.

The Project Contributions and Revenue Section

The Project Contributions and Revenue section of the budget template supplies the Council with information pertaining to your ability to carry out the proposed project. Refer to the following instructions when filling out this section of the budget.

Identify and list all monetary contributions, proposed revenue, and the dollar value of all in-kind contributions your organization has committed for the project. If there are not enough lines in a particular section, please combine like items and provide details in the "Notes" section on the right side of the template.

1. **Cash:** List all sources of cash-on-hand budgeted for the project. Include general operating funds, past surpluses or salaries committed to this project.
2. **Other Grants/Donations:** List all grants, business or corporate donations, and contributions you plan to pursue to fund this project, in addition to this request. You must indicate if these grants or contributions have been received or are anticipated.
3. **Earned Income:** List estimated earned income from tickets (include the estimated number of tickets times the price of a single ticket), registration fees, ads, book and refreshment sales, etc. Multiply the estimated number of people or sales by the price of a ticket, book, ad, etc.
4. **In-Kind Contributions:** List all contributions of donated materials, labor, space and/or services that have been given a dollar value and are specifically committed to the project. All in-kind contributions listed in this section must also appear as expenses in the upper section.

The totals of parts 1, 2, 3 and 4 will be the Total Contributions and Revenue (line C). The Total Support for the Project must equal the Total Project Expenses shown on line A.

Government units, or groups which are not exclusively an arts producer or presenter, should provide only their arts budgets. Schools should provide only their extracurricular arts budgets.

The purpose of giving this information is to provide additional background on the applicant organization. Indicate the type of grant, the amount received, and the year it was granted.

organization that is authorized to sign off on your application and proposed project.
