All projects must be completed by **May 31, 2020**

***Guidelines Updated July 20, 2018***

This program provides funding of up to \$750 for you to undertake unanticipated and meaningful projects requiring modest funding with minimal advance notice. Funding for projects including out-of-state activities is available, but limited, in this program.

### Review Criteria

**Artistic Quality of Your Work and/or Educational Value for Learners (25%):** Your proposal should demonstrate an understanding of your discipline or medium, a level of competency in your work, and clarity of vision.

**Ability (25%):** Your capacity to undertake your project. This includes: providing a budget that is realistic, feasible, and demonstrates a clear understanding of the scope of your project; adequate support materials; as well as narrative responses articulating your readiness to undertake the project.

**This information can be made available in the following alternative formats: Braille, large print, and audio tape. We also can help your group find a language interpreter to translate these guidelines. To accommodate your request, the Arrowhead Regional Arts Council will need at least 10 working days.**

## About Us

**Mission:** The Arrowhead Regional Arts Council (ARAC) seeks to facilitate and encourage local arts development. This mission statement grows from a conviction that the arts improve the quality of life in the region.

**Legislative Mandate:** ARAC is one of eleven regional arts councils designated by the State of Minnesota "to make final decisions on the use of legislative appropriations for local/regional arts development." ARAC is charged to assess the needs of the seven counties in the Arrowhead Region and to plan and administer programs and services based on its assessment.

### Arts and Cultural Heritage Fund

**Mandate:** ARAC receives funding from the Legacy Amendment which was appropriated by the State Legislature with money from the vote of the people of Minnesota on November 4, 2008. The intent of this funding is to support and create access to the arts for artists, arts organizations, and communities; to support arts education for Minnesotans of all ages; and to support diverse ethnic and cultural arts traditions represented in this state.

**McKnight Foundation:** ARAC receives additional funding for its individual artist programs from the McKnight Foundation.

## Eligibility

### Who's Eligible?

To apply for this program, you must be at least eighteen years old, a U.S. citizen or have permanent resident status, and resident of Aitkin, Carlton, Cook, Itasca, Koochiching, Lake, or St. Louis County for at least six months, and a resident of Minnesota for the duration of your project. Individuals enrolled in arts-related degree programs are ineligible to apply. Past grant recipients with overdue, unaccepted, or falsified final reports are also ineligible.

### Coordination with Minnesota State Arts Board Support

Projects seeking financial support from both ARAC and the Minnesota State Arts Board (MSAB) may do so only after consulting with ARAC staff.

### Important Dates

Applications are received on an ongoing basis, as funding allows. Funds are dispersed into the program quarterly, and applications are reviewed weekly until all the available funds are awarded. The program is then closed until a new quarter begins.

Eligible projects must have a start date within 60 days of your application decision date. ARAC cannot reimburse debts incurred before your application decision date. You will receive a decision within two weeks of submitting your application.

## How Many ARAC Grants Can an Individual Receive in One Year?

In a single ARAC fiscal year (July 1-June 30), you may receive one grant from each eligible program. No more than one ARAC grant may be used to fund a single project.

## What Kinds of Things are Ineligible for Funding?

- The project attempts to influence any state or federal legislation
- The request includes making improvements to the applicant's private property
- The project requires excessive entry or exhibition fees, includes tuition, fees or work toward a degree
- The project primarily involves developing school curriculum plans or teaching materials
- The project promotes religious socialization
- The project was once supported by state general fund appropriations

**Note:** ARAC has attempted to provide a thorough and clear articulation of its eligibility rules, but it reserves the right to declare an application ineligible for reasons not explicitly stated here. If you have questions about the eligibility of your project, please contact the office. Grantees are responsible for complying with all federal, state, and local laws, rules, regulations, and ordinances in relation to the use of these funds. Failure to comply may result in termination or forfeiture of the grant.

## Tips on Applying for Grants

- First time applicants are strongly encouraged to contact ARAC staff at 218-722-0952, 800-569-8134, or [grants@aracouncil.org](mailto:grants@aracouncil.org) to discuss the eligibility of their activity or project.
- Writing assistance is available upon request, but realize that staff assistance in no way implies your grant request will be funded.
- Attend an ARAC workshop if possible.
- Contact the ARAC office to view past applications. You can learn from others' success.
- Proofread your application and make sure that your narrative addresses all parts of the questions.
- Have a person who is not involved in your project read your application. It helps to have a fresh set of eyes look at your application.

## **Narrative Questions**

### **Artistic Quality of Your Work and/or Educational Value for Learners**

**(25% of your score):**

Your proposal should demonstrate an understanding of your discipline or medium, a level of competency in your work, and clarity of vision.

- Describe your opportunity/activity and tell us about any artists, mentors, or other participants required to make this activity happen. (Be sure to include one-page resumes for each of these individuals in the RESUME section of your application.)
- Describe the quality of your artistic work and/or the educational value of it, if applicable.

### **Timeliness and Impact**

**(50% of your score):**

The proposed project should have a start date within 60 days and represent an immediate and unanticipated opportunity or need. The impact of your project is determined by the project's appropriateness to furthering or achieving your artistic goals.

- When did you find out about this opportunity or need, and what is the project's timeline? How is it unanticipated?
- Are there other ARAC grant programs that are or would have been appropriate for this request?
- Why is carrying out this activity important at this time? How will it help you meet your artistic goals?

### **Ability**

**(25% of your score):**

Your capacity to undertake your project. This includes: providing a budget that is realistic, feasible, and demonstrates a clear understanding of the scope of your project; adequate support materials; as well as narrative responses articulating your readiness to undertake the project.

- Describe up to two activities that you have done in the past that demonstrate your ability to complete this activity.

### **Optional:**

## Proposed Budget

Click on the link to download the [Grant Budget Template](#). Save the file to your computer before filling it out. Once you have filled out the budget, save it and then upload it into the File Upload space provided in your application.

The Proposed Grant Budget supplies the Council with three important pieces of information. The description and dollar values for all expenses related to your proposed request, the dollar values of the expenses for which you are requesting ARAC funds, and the sources of additional funds for the remainder of the project expenses not covered by grant funding. Refer to the following instructions when filling out this page.

Recognizing the value of labor in all dimensions of the arts world, ARAC strongly encourages that grant applications use the following minimum figures in calculating the value of labor.

- Paying artists for the practice of their art: \$24/hour or more as appropriate
- Paying artists for arts education work: \$24/hour or more as appropriate, with one hour of preparation time allocated for every two hours of direct instruction

ARAC recommends that artists list hours beyond the number payable within the grant as an "in-kind contribution."

**Estimated Project Expenses:** In the first column of the Proposed Budget template list everything necessary to carry out your project. If there are not enough lines in a particular section, please combine like items and provide details in the "Notes" section on the right side of the template. Give each item a dollar value in the next column even if you expect some portion of the expense to be an "in-kind" contribution. Round all estimated expenses to the nearest \$10.

In-kind contributions include all donated materials, labor, space and/or services that can be given a dollar value and are specifically committed to the project. Each expected in-kind contribution must be assigned a fair market value. In-kind contributions must appear in both the revenue and expense side of your proposed project's budget. Grantees must keep records of the cash values of in-kind contributions.

The sum of everything in this column will be your **Total Project Expenses**.

**ARAC Request:** In the third column of the Proposed Budget template, list the parts of the expenses listed in the second column for which you are requesting ARAC funding. The total of the entries should equal the amount of the grant request listed in the application form.

**Estimated Project Contributions and Revenue:** List the sources of how you will fund costs for your project beyond the ARAC request. Use the space provided below this if you feel it is necessary to explain the sources further.

The totals of your sources will add up to be your **Total Project Revenue**.

The **Total Project Revenue** plus the **Total Amount Requested** must equal the **Total Project Expenses**.
