Past ARAC grant recipients with an overdue, unaccepted, or falsified final report are ineligible to apply.

### **New for Fiscal Year 2020**

- All organizations that reach a minimum score of 75% in our board evaluation will receive a share of the funding. Organizations that receive a score of 70-74% may receive funding if a majority of our board supports awarding funding.
- The funding formula will be based on both the arts budget size of the organization as well as their score in our assessment. The formula will be in addition to a minimum payment of \$1,500. Most organizations will receive between \$2,000 and \$7,000.

### **Distribution of Funds**

All organizations that score more than 75% will be funded on a relative basis. ARAC has increased the amount of funding for operating support for the FY20 round. Depending on the number and quality of applications, the board may fund some organizations receiving a score of 70-74%. Each qualifying grantee will receive a minimum of \$1,500, with the remaining amount of the \$100,000 allotted to this program divided based on the following formula.

Points will be awarded on the following basis:

Merit Score	Multiplier
85% and above	5
75%-84%	4
70-74%*	3

\*Funded at the discretion of the ARAC board.

Organization Budget Size	Multiplier
Multiplier is the proportion of the organizational arts budget/\$100,000 to a maximum of 1.	

*Example:*

An organization with a budget of \$70,000 per year that scored a 76% on the evaluation would receive 4 x .7 points or 2.8 points. If 24 organizations received a score of 75% or higher and this organization was the average size and score, then this organization would receive \$4541 for FY20. If a much smaller organization with a budget of \$20,000 per year had the same score, they would receive, \$2,369.04 for FY20. These amounts are for illustration only; the actual amount of the grants will depend on the total number of organizations receiving the minimum score.

## What happens after I apply?

1. The staff reviews all applications and materials for completeness and eligibility.
2. Eligible applications are reviewed by a panel of Board and community members, and the panel's recommendations are approved by the full Board of ARAC. All applicants will be notified of the panel meeting and are allowed to observe the proceedings. All board and panel meetings are open to the public. Reviewers read grant applications in advance, so each proposal may not be discussed in detail at the meeting, but attendance is recommended so that applicants can understand how their application is received. Applicants are not allowed to address the review panel.
3. Applicants will be notified via email of the Board's decision within fourteen days of the board grant review. Successful applicants will receive a contract and a final report form. The final report must be completed and submitted within thirty days of completion of the funding period.
4. The Board's funding decisions may be appealed solely on alleged procedural errors. An applicant must request an appeal within thirty days of notification of the Board decision. A board subcommittee, consisting of at least three members appointed by the ARAC chair, will consider any appeals. The subcommittee reports its findings and recommendations to the full ARAC Board for action.

### About Us

**Mission:** The Arrowhead Regional Arts Council (ARAC) seeks to facilitate and encourage local arts development. This mission statement grows from a conviction that the arts improve the quality of life in the region.

**Legislative Mandate:** ARAC is one of eleven regional arts councils designated by the State of Minnesota "to make final decisions on the use of legislative appropriations for local/regional arts development." ARAC is charged to assess the needs of the seven counties in the Arrowhead Region and to plan and administer programs and services based on its assessment.

**Arts and Cultural Heritage Fund Mandate:** ARAC receives funding from the Legacy Amendment which was appropriated by the State Legislature with money from the vote of the people of Minnesota on November 4, 2008. The intent of this funding is to support and create access to the arts for artists, arts organizations, and communities; to support arts education for Minnesotans of all ages; and to support diverse ethnic and cultural arts traditions represented in this state.
